

## Yesh Kochavim Lyrics

### SOLO:

There are stars up above,  
So far above we only see their light,  
Long, long after the star itself is gone.  
And so it is with people we loved.  
Their memories keep shining,  
Ever brightly though their time with us is done.  
But the stars that light up the darkest night,  
These are the lights that guide us.

### Choir:

As we live our days,  
These are the ways we remember,  
We remember. (2x)
