

BRIT FOR SINAI CONNECTIONS

This Brit is the basis for relationships that Sinai Connections strives to foster. When starting a new Sinai Connections group, Leads are encouraged to introduce and discuss this Brit. It can be helpful to refer to, if Leads or their members feel that some participants are not adhering to the Brit.

OWNERSHIP:

This is our Sinai Connections Group. This is our community to create. While there are guidelines and suggestions, it is ours to shape and form. We will get out of it what we put into it.

ACCOUNTABILITY:

It's important to be punctual. Members will let the group Lead(s) know if they will be late or absent.

RESPECT:

As a warm and welcoming Temple Community, we care about and are concerned for the "other". We will value and acknowledge everyone.

PRESENCE:

When we are together, listening is important and essential. The gift of attention will create the space for the best sharing.

CURIOSITY:

We strive to ask open ended questions that have no right or wrong answers. These types of conversation starters allow us to get to know one another and grow our friendships.
